DFW has become an international gateway, the nation's new Ellis Island, and the rate of immigrant growth here is twice the national average. 44% of our residents are New Americans - foreign born and their children. Your tax-deductible contribution will support educational programs like these:

- \$100 will provide 100 people with a copy of our Guide to English (ESL) Classes for Adults.
- \$250 will make possible our weekly cultural bulletin for one week.
- \$400 will deliver 22 hours of civics and linguistic training for 10 green card holders who wish to become U.S. citizens.
