## Community Alliance

Our **Mission** is to build mutual understanding and respect by linking diverse international cultural communities.

Dear friends and neighbors,

Welcome to the United States and to Texas. Refugees are part of what makes this country great.

DFW International's Refugee Support Network is a group of volunteers of many ethnicities and religions. We are very glad you are here. As we do not receive government funds and are not a resettlement agency., we can only help in small ways. Everything we give you - school bags, cooking pots, baby beds - we have collected or bought ourselves. We wish we could do more for you.

But we are proud to be your neighbors, coworkers, classmates, and community members. And if you have a problem or a special need, please share with us and perhaps we can help. My phone number is 972-965-5727.

We are proud to be your fellow Americans. We welcome you to our country.
